When I'm not at school: I love playing guitar (trying to learn new songs!) or tinkering with my old car, a 1971 XYGT.

Favourite style of music: Aussie Rock

Favourite song: Khe Sanh (anything Cold Chisel really!)

Hobbies: Music, old cars and motorbikes (yes you might be getting a sense that I'm a retro sort of bloke!).

Why I am passionate about working at GPS:

We are a family on an incredible education journey TOGETHER! Awesome kids, community and a passionate and student learning focused staff! It is an absolute privilege to work alongside you all.
