

Gembrook Primary School Staff Profile

Name: Casey Mitchell

Position: Grade 5/6 Teacher

When I'm not at school: Spending time with my three young children and husband, gardening, walking or sitting by the fire with a book!

Favourite book/author: I find this question so hard to answer but I will try and keep it brief:

- Alistair McLean - Any and all of his books (I'm collecting the hard cover copies so if you find one in your travels I'd be more than happy to reimburse you!)
- J.K. Rowling – Harry Potter Series (Nothing more needs to be said)
- Kate DiCamillo – Because of Winn Dixie (this was the first class novel I read with my first ever grade and we all ended up in tears – the power of reading!)
- Finally, Are we there yet? by Alison Lester because it is the story of my childhood!

Favourite sports team: Go Bombers!

Something that always cheers me up: A stunning sunrise or a sunset (or a Snickers Bar!)

Favourite holiday destination: Venus Bay

Favourite style of music: Anything and everything except for Queens of the Stone Age (my husband's favourite band!)

Favourite song: Shake it Out by Florence and the Machine

Hobbies: Reading, gardening, hiking, sewing and now drawing thanks to our Gembrook Triple MMM

Why I am passionate about working at GPS: The students and the teachers - I value a small school setting where I know and get to work with all of the students. I want to be surrounded by teachers who are driven by best practice and quality teaching, and we have a power house team here at GPS!
