

Gembrook Primary School Staff Profile

Name: Jorden Adnam

Position: PE teacher

When I'm not at school: I play semi-professional level basketball in the NBL1, so I'm generally training for this which involves 2-3 high intensity trainings a week, 1-2 games on the weekend, and spend my free time often learning to play guitar and socialising with my family and friends.

Favourite book/author: Nicholas Sparks-The Longest Ride in particular.

Favourite sports team: Richmond Football Club in the AFL, and Dallas Mavericks in the NBA.

Something that always cheers me up: the sunshine, great weather, and smiles from others.

Favourite holiday destination: Bali; Ulawatu in particular.

Favourite style of music: Acoustic Music and Country Music

Favourite song: Luke Combs- Dive

Hobbies: Surfing, fitness workouts, socialising with friends, playing the guitar and sketching.

Why I am passionate about working at GPS:

PE to me is so important for establishing a lifelong love for physical activity, health and wellbeing. Seeing students grow and develop, and take on new sports and activities is vital for their mental health. Students learn such important team skills that are relevant in life not just in the sporting aspect.

I can't wait to see and hear about the growth and achievements of all past and present students in PE at Gembrook!
