

Gembrook Primary School Staff Profile

Name: Lucie Schofield

Position: 1/2 Classroom Teacher

When I'm not at school I like to spend time at home, with friends/family or reading a good book.

Favourite book/author: Hard choice but at the moment I'm loving Jane Harper or Christian White.

Favourite sports team: Richmond (AFL) and Melbourne Storm (NRL)

Something that always cheers me up: Seeing my class!

Favourite holiday destination: Anywhere!

Favourite style of music: I enjoyed listening to all types of music, it's really great to change things up and listening to different things.

Favourite song: Again, hard choice, I change my mind all the time, but at the moment I am enjoying LÉON – Falling.

Hobbies: Reading, spending time with family/friends, going for walks, going to watch concerts and stage shows.

Why I am passionate about working at GPS: The community we have here – I am so lucky to work with the staff and students that I do, it's fantastic being able to know everybody's name and work so closely. I am surrounded by a fantastic group of teachers who are so focused and hardworking. The bonus is the environment that we are surrounded by, greenery, trees, hills and a whole lot of beauty
