

# Gembrook Primary School Staff Profile

**Name:** Karlee McMahon

**Position:** Prep classroom teacher

**When I'm not at school:** I am the mum of four beautiful children.

Lacie-Joy is 10, Darcy is 8, Bonnie is 6 and Emmi-Lou is 4. We love to go on adventures together. We love the beach, camping and going to the park.

**Favourite book/author:** The Book Thief by Mark Zusak and Magic Beach by Alston Lester

**Favourite sports team:** St Kilda – Only out of obligation because that was my mum's team, I don't really follow sports.

**Something that always cheers me up:** I look forward to having Park Night with friends every Thursday when the weather is fine. We play until late and eat takeaway. It is the best fun!

Also, my family recently acquired a new family member. Tiffany is our new standard breed horse. She is 6 years old and the loveliest horse I have ever met. We love her so much!

**Favourite holiday destination:** My family is building a holiday house at Loch Sport. It is my happy place.

**Favourite style of music:** Everything! I like new and old, rock and indie and everything in between. My favourite playlist is currently acoustic covers.

**Favourite song:** Such a hard choice there is so many. I thought I would include a list of some of the best.

Morningtown Ride – The Seekers (Our favourite lullaby)

Waltzing Matilda

Riptide – Vance Joy

MMMBop – Hanson

Beautiful Trauma - Pink

**Hobbies:** I collect wooden toys and beautiful things. I also like to stay up to date with Australian agricultural news and I like to garden. I am not a very good gardener but I want to be.
