A VIEW TO THE FUTURE

Bren's Banter

Dear Families and Friends.

When I started writing this week's 'Bren's Banter' I was thinking about how proud I am of our school community during such an extended period of lockdown and learning from home. There's no doubt it's been a severely disrupted year, and an extremely challenging term, and yet here we are, almost at the end of term three, still finding ways to celebrate all the good things in our lives, and appreciate the kindness of others. Gratitude Week is a great example of students, staff and families coming together as best we can in these times, to show appreciation for who and what we 'have' rather than focusing on what we are missing out on. This shows true courage and fills me with pride as I think of us sticking together and getting through this united, and supporting our beautiful school and each other.

During Gratitude Week we had many incredible examples of gratitude including students writing beautiful letters to staff, gifts of cakes and slices (always appreciated!!) and 'pamper packs' put together and delivered for all staff members. Thank you everyone, we are a great community!

Gratitude Week

Thank you everyone who joined in the fun of Gratitude Week! We have heard lots of great examples of random acts of kindness and appreciation. A huge thank you to Miss. Watson for organising and putting together our staff gratitude video. Let's all be determined and committed to extending the sentiment of Gratitude Week beyond a single week!

Wireless Wednesday

What a brilliant Wireless Wednesday! The sun was shining and the warm early spring weather was absolutely perfect for having a break from the rigour and routine of remote learning and taking time to rest and recharge without technology, in readiness for the final few weeks of term.

A big thank you to everyone who supported Wireless Wednesday and it was great to hear many varied stories of how you celebrated the day!

Father's Day stall

A massive thank you to Michelle Van Der Vlugt and the PFA team for organising such a brilliant 'remote' Father's Day Stall last week. Michelle spent a huge amount of time and effort, making special Father's Day (and grandads!) gift packs.

Once again, thank you to everyone who supported our online Father's Day Stall.

Remote Learning Update

On Wednesday 1st September, the Victorian State Premier Daniel Andrews, announced an extension to remote learning at least until the end of term three.

Whilst this is not the news we wanted to hear, we feel that we are well placed to successfully continue with our remote learning program, which has been regularly adjusted and improved to accommodate the government's evolving restrictions.

At this stage, for the final two weeks of term, we will continue with class teaching Webex sessions, as well as levelled Open Q&A Webex sessions. Our amazing School Wellbeing Officer will also continue to facilitate regular wellbeing check in sessions via Webex for parents and carers.

Once again everyone, you are all doing a mighty job, supporting your child with remote learning. Please be kind to yourselves. All we ask is that students engage as best they can with remote learning planners and daily Webex sessions. If that becomes too much, then daily reading is absolutely fine!

Enrolments for 2022

Enrolment for 2022 at ANY level can be made NOW and I encourage you to share this with friends and families. We are a dynamic and growing school, and so early confirmation of prep enrolments for next year will assist us greatly with planning in terms of staffing and grade structures.

If you have any questions about new enrolment's, please call the school on 59 68 1313.

As this will be our final newsletter for term three, I just want to say thank you for your support, understanding and general positivity during another extended period of remote learning. I wish you all a safe and happy holiday and I really can't wait to have us all back together again, hopefully for term four!

Have a great week everyone and all the best, Bren

STARS OF THE WEEK TERM 3 WEEK 7

Lia Prep G

What a fantastic job you have been doing during remote learning! You have been working hard on your learning and particularly your handwriting! You have also been engaging during lessons and joining in class discussions. I love seeing you come onto the Q&A Webex to share your work with me. Keep up the wonderful effort!

Amelia Prep L

I am so proud of your attitude during remote learning Amelia! You are always respectful and hard working in our class Webex! I love the brave way that you share your thinking with others. It is inspiring to see how you continue to try your best at each and every lesson throughout the day! What a star!

Chloe Prep M

We loved seeing your smiling face during our open Webex each morning! It was lovely to hear you read your writing this week! Your letter to Emelia was an outstanding example of persuasive writing! You really are a star! From Mrs L and Miss G.

Sebastian 1F

Well done Sebastian for the effort you put into completing all of your learning tasks. It is great to see you revise your work and always try your best. Keep up the terrific work!

Sean 1V

Sean, during remote learning you always attend all our class WebEx meetings. I am so proud of the work you are submitting. I especially enjoyed reading your comic. You used speech bubbles well and illustrated each panel with good details. Excellent work Sean!

Dominic 2W

Dom, I am so proud of you and the attitude you have demonstrated throughout remote learning! You always come to our class WebEx with a smile on your face and an eagerness to share. Your efforts to improve your reading skills and stamina have also been spectacular this week. Congratulations on logging 10 hours of reading on Epic Books. You are a star!

Harmony 2B

Harmony, you have been so polite and considerate towards your peers and staff when onsite. You have been engaged during all Webex sessions and learning tasks. You are capable of amazing things!

Blake 34O

It has been excellent to see you take on all tasks with determination and perseverance. You have a 'never give up' attitude, and you are a role model to your peers. Thank you for bringing such positivity to 3/4O Blake.

Lily 34L

I am so proud of your enthusiasm towards learning. You regularly bring positive and helpful contributions to our Webex lessons, helping consolidate your learning. You have been incredibly receptive to feedback, and rise to challenges. What a fantastic effort Lily, I am so excited to see your learning continue to grow!

Lia 34S

For your commendable efforts in all your work this week. It has been a pleasure to watch you engage in all Webex lessons with a positive attitude. You consistently contribute to discussions. I am particularly proud of the standard of work you produced for your picture storybook. Well done, Lia!

Kya 56M

Congratulations, Kya! The hard work and outstanding effort you have been applying to your learning makes you very deserving of this award. It has been great to see you asking questions to clarify your understanding, and I have been so impressed with the many valuable contributions you have made to our class Webex sessions. You are using feedback to improve your work, and apply a growth mindset to expand your knowledge in maths. Keep it up!

STARS OF THE WEEK TERM 3 WEEK 8

Ashleigh Prep G

You have been doing a fantastic job during remote learning. You have attended every Webex class and have submitted all your learning tasks. You have also been engaging in discussions and sharing your ideas. I love seeing the hard work and effort you are showing in all your learning. What a superstar!

Liam Prep L

Liam, I was so impressed with your word choice and ideas this morning during our narrative writing lesson! You are consistently thinking about how to engage your reader, and make your stories more interesting! Outstanding work!

Laura Prep M

For showing such persistence with her writing during remote learning. Even though you found the task challenging it was amazing to see you try your hardest to get the job done. Keep up the wonderful effort Laura!

Madeline 1F

Well done Maddie for the energy and enthusiasm that you bring to every class Webex session! We love hearing your ideas and thank you for sharing your learning with us. Your positivity inspires us ALL!

Rocco 1V

Rocco, I am so proud of the procedural text you wrote on "How to Play Around the World". You included all the features required for a reader to be successful playing this game. I especially love how you included positive language in your evaluation telling the reader to try their best and have fun. Amazing work Rocco!

Kobe 2W

I'm so proud of how you have tackled remote learning. You always come to onsite learning with an enthusiastic attitude and smile that brightens up the room. You have shown great commitment to your learning and have made sure that all your peers in the classroom feel included. You are growing into a very kind-hearted and considerate person who is a valued member of 2W. Well done, Kobe!

Brooklyn 2B

Brooky, you have made exceptional progress this year, in all curriculum areas. You are a thoughtful and considerate friend and always look for opportunities to extend yourself. I am so proud of all of your choices you have made and the wonderful person you are.

Aidan 3A0

It has been excellent to see you embrace remote learning. You have used our 'Question Time Webex' effectively to extend yourself. I was so pleased with the effort you put into publishing your picture story book 'Rory's Wars'. Keep it up Aidan!

Cooper 34L

Cooper, you continually work hard on Webex conferences, and submit your work to a high standard. You have shared some great riddles with us, and are open to sharing your ideas with our grade. You regularly strive to overcome challenges, and are such a capable and kind hearted student. I am so proud of your efforts Coops!

Charlie 34S

For the enthusiasm you have brought to our Webex sessions. You have developed confidence when sharing your ideas, and continuously bring riddles for us to solve as a class. It is great to see you putting so much effort into your learning, even during a challenging time. Well done, Charlie!

Stellar 56J

Stellar, thank you so much for all of your extra hard work when creating your learning submission tasks. It was a privilege to see you develop your understanding of microorganisms during science week. You have exemplified how much of an impact you can have upon your learning when you really apply yourself. Keep up the excellent effort.

News from the Art Room

Term Three is nearly done. Even though we are doing our learning remotely, our beautiful students have been highly engaged in making beautiful pieces of artwork at home.

Thank you for sharing your completed work on our padlet board. Here's the link.

https://padlet.com/dharmdee/GEM_LD_art2021

This link and the instructions on how to upload photos of your artwork are in your weekly art lesson plan. You can find your weekly art activity lesson plan in your Tuesday Remote Learning Lesson Plan. If you haven't had time to do these fun and creative art activities, why don't you take some time during the spring holidays and try them? And remember to upload them to the padlet board.

Here is a photo of our padlet board:

Erin from 3/4S, trying to make different emotions on her puppy face.

Gemmie's Mind-Blowing Maths ..1,2,3...

(T3W9)

Abstract Maths

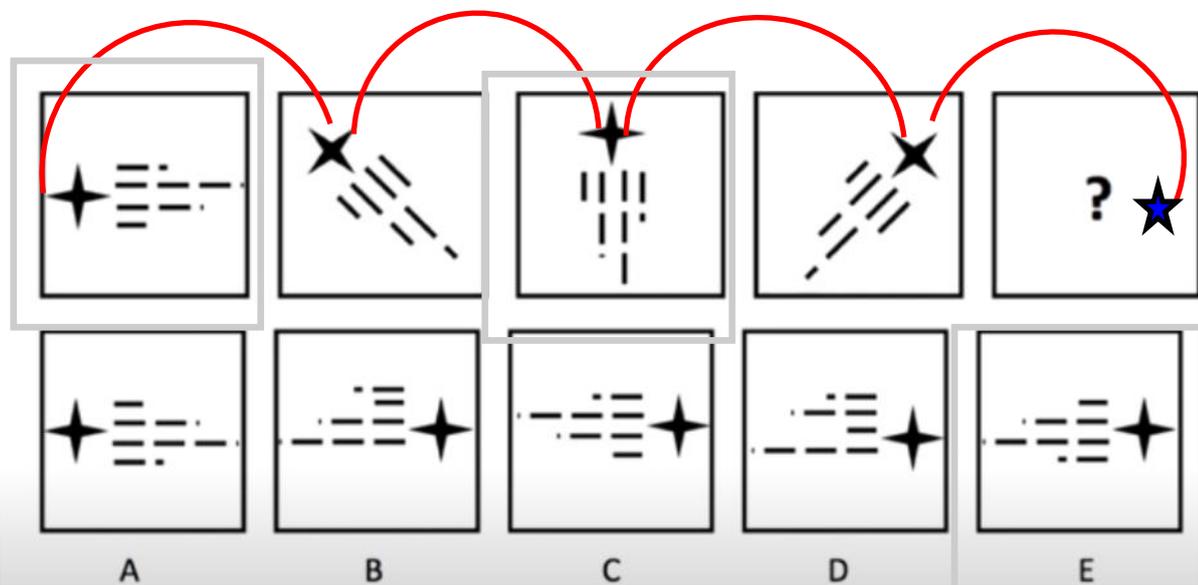

Riddles are questions or statements that need creative problem-solving thinking to solve. The questions can be unclear and they can be misleading at times. However, riddles are usually fun to solve and you would be surprised by some of the methods we have to use to reach the answers. Here are two riddles for you to solve:

1. A farmer has 19 sheep on his land. One day, a big storm hits and all but seven run away. How many sheep does the farmer have left?
2. Your sock drawer only contains 18 white socks and 18 blue socks. How many times do you need to reach inside the drawer and take out a sock to guarantee a matching pair?

Email your answers to school or let your teacher know during one of your class webex meetings. The smiley face will be waiting in the art room for you to collect when we are back on site. Not only a smiley face, but Mrs. D also has lots of Woolworths Aussie Heroes stickers, if you are collecting them. Let's see how many of you can collect all 119 stickers. Watch this space for the correct answers in the next newsletter

Answers to the last week's maths question (T3W7)

Start with the star icon; it goes left-side middle, left upper corner, top middle, right-side corner. That tells us that the answer A is off. Looking at the pictures in the yellow squares you can see that the answer E is just reflected and flipped the picture in the first yellow square. Hence the answer is E.

Answer to the second question.

5 elements to each shape

5 elements!

A B C D E

SCHOOL NOTICES

Breakfast Club Food Items

Breakfast Club has not been able to start up, due to the Lockdown.

However, we will be sharing the food which Food Bank Victoria have generously provided, with the whole School community from Thursday 9th September.

Feel free to pick up some items when you past the school.

The items will include:

- Long life milk
- Weet biscuits
- Weeties
- Baked Beans
- Canned fruit

building stronger communities and brighter futures for more than 70,000 children, 30,000 families and more than 450 schools across Australia.

OSHClub
Before & After School Care
Building Brighter Futures Together

Our Values:
 * Considerate - Be there for others
 * Passionate - Bring energy and determination
 * Courageous - Challenge ourselves

The values we share guide our behaviour as we work towards our vision to build brighter futures together.

What we offer

- A healthy, safe, respectful and engaging environment
- Caring, enthusiastic, fun and friendly team
- New and popular excursions, incursions and theme days
- Stimulating experiences tailored to children's interests, abilities and current trends
- OSHClub endeavour to link each fun experience to key learning outcomes

We are a child safe organisation

What Does My Child Bring?

Please bring morning tea, lunch, afternoon tea and a refillable drink bottle. If bringing food please make sure it's nutritious and doesn't require heating or cooking.

Please be mindful of the planned incursion/excursion and ensure your children are dressed appropriately. Don't forget your sun smart hat, comfortable clothes, closed shoes and a drink bottle.

To avoid loss or disappointment, please leave your valuables, money and electronic toys (including tablets and smartphones) at home.

Healthy Eating
OSHClub follows the Australian dietary guidelines which can be found at <https://www.eatforhealth.gov.au>

Activity Changes
If an excursion or incursion (due to unforeseen circumstances) is cancelled, the activity will either be postponed or an alternative activity of equal value will be provided where possible.

Before making your booking & cancellations
All children must be enrolled with OSHClub prior to booking via oshclub.com.au. Bookings made within 5 days for a Vacation Care session will incur an extra charge of \$4.50 per day per child. 7 days notice is required for cancellation of a Vacation Care booking to ensure you will not incur out of pocket costs. Please note that bookings cannot be made online within 5 days of the session commencing. In order to book within this period, you will need to contact the service directly, the Customer Service and Billing Team on 1300 395 735 or by emailing bookcancell@juniorafterwinteregroup.com.au

Child care subsidy
Our services are registered with Centrelink, so you will be able to claim Child Care Subsidy on your fees. For further information please visit www.education.gov.au/childcare-faq

Children with additional needs
We support all children including children with additional needs. If you would like to provide additional information about your child and their needs or require additional support funding, please contact us 4 weeks prior to program commencement on 0438 564 038 for staffing purposes.

The Intersectionality of Mental Health, Gambling Harm and Family Violence Professional Development

'The intersection between mental health, gambling harm and harm in families through family violence'

Mental health is complex and can be difficult to understand for parents, families and carers. This online workshop is being held that may help provide a better understanding of mental health and other complexities.

We will explore the following topics:

- The intersections between mental health, gambling harm and harm in families through family violence.
- Options and support for families
- Things that help and don't help

When: Wednesday 20 October 2021

Where: Online via Zoom

Time: 9am - 11 pm

Cost: FREE

For all enquiries contact 0457 825 076 or cfccardinia@anglicarevic.org.au

Registrations are essential. To register scan QR Code below or go to https://us02web.zoom.us/join/register/WN_8M3GAHPOSvW-Q_s8b53Xjg

CFCC is funded by the Australian Government, Department of Social Services. See www.dss.gov.au for more information.
