The GPS Principal, Wellbeing Officer and child safety champion are the first point of contact for child safety concerns or queries and for coordinating responses to child safety incidents;

- The Principal and child safety champion are responsible for monitoring the school's compliance with the Child Safety Student Engagement and Wellbeing policy. Anyone in our school community should approach the Principal if they have any concerns about the school's compliance with the Child Safety and Wellbeing Policy.

GPS has weekly discussions on students and matters related to child safety and wellbeing.

Child Safety Code of Conduct

GPS's Child Safety Code of Conduct sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

The Child Safety Code of Conduct <https://www.gembrookps.vic.edu.au/wp/index.php/commitment-to-child-safety/> also includes processes to report inappropriate behaviour.

Managing risks to child safety and wellbeing

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our Child Safety Policy, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use.

GPS's Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our school leadership team and Champion will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually or when a specific need arises.

Establishing a culturally safe environment

At Gembrook Primary School we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.

We have developed the following strategies to promote cultural safety in our school community:

- A Marrung Leader to support and provide an inclusive and culturally safe school for Aboriginal children and students [Link]
- KESO (Koori Engagement Support Officer)
- All Koori students are required to be linked with a KESO, Marrung Leader, with an IEP and cultural goal.

Student empowerment

To support child safety and wellbeing at Gembrook Primary School, we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging through implementing our whole school approach to Respectful Relationships, our student Code of Conduct, our whole school Positive Behaviours for Learning initiative, strong student leadership, student voice through the Student Representative Council (SRC) and our school values of respect and high expectation.

Through our Wellbeing Scope and Sequence and our whole school approach to Respectful Relationships to give students the skills and confidence to 1. Recognise unsafe situations with adults or other students and 2. Speak up and act on concerns relating to themselves or their peers. 3. Talk to an adult if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns at gembrook.ps@education.vic.gov.au

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.

Family engagement

Our families and the school community have an important role in monitoring and promoting children's safety and wellbeing and helping children to raise any concerns.

To support family engagement, at Gembrook Primary School we are committed to providing families and community with accessible information about our GPS Child Safety Policy and practices and involving them in our approach to child safety and wellbeing.

Training includes guidance on:

- individual and collective obligations and responsibilities for implementing the Child Safe Standards and managing the risk of child abuse
- child safety and wellbeing risks in our school environment
- Gembrook Primary School child safety and wellbeing policies, procedures, codes and practices

Complaints and reporting processes

Gembrook Primary School fosters a culture that encourages staff, volunteers, students, parents, and the school community to raise concerns and complaints. This makes it more difficult for breaches of the code of conduct, misconduct or abuse to occur and remain hidden.

We have clear pathways for raising complaints and concerns and responding and this is documented in our school's Complaint Policy. The Complaints Policy can be found at <https://www.gembrookps.vic.edu.au/wp/index.php/policies/>

If there is an incident, disclosure, allegation or suspicion of child abuse, all staff and volunteers (including school council employees) must follow our Child Safety Responding and Reporting Obligations Policy and Procedures <https://www.gembrookps.vic.edu.au/wp/index.php/commitment-to-child-safety/> Our policy and procedures address complaints and concerns of child abuse made by or in relation to a child or student, school staff, volunteers, contractors, service providers, visitors or any other person while connected to the school.

As soon as any immediate health and safety concerns are addressed, and relevant school staff have been informed, we will ensure our school follows:

- the [Four Critical Actions](#) for complaints and concerns relating to adult behaviour towards a child
- the [Four Critical Actions: Student Sexual Offending](#) for complaints and concerns relating to student sexual offending
