## PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

## SCOPE

This policy applies to all teaching and non-teaching staff at Gembrook Primary School, including education support staff, casual relief teachers and visiting teachers.

## POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

## Before and after school

Gembrook Primary Schools' grounds are supervised by school staff from 8:45am until 3:30pm. Outside of these hours, school staff will not be available to supervise students.

The 'Kiss and Drop' area will be supervised by the Principal and/or Assistant Principal from 8:45am to 9:00am and from 3:20pm until 3:30pm. The school grounds will be supervised as per the yard duty timetable.

Parents and carers will be advised through Compass and regular reminders in our newsletter that they should not allow their children to attend Gembrook Primary School outside of these hours. Families will be encouraged to contact OSHClub or refer to <u>https://www.oshclub.com.au</u> for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

Students arriving between 8:30am and 8:45am <u>must</u> remain in the Circle of Harmony until 8:45am at which time the rostered yard duty teacher will make an announcement for students to head to their classrooms or to yard duty Area B. Students are welcome to attend Breakfast Club from 8:40am on the designated Breakfast Club mornings.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

## Yard duty

All staff at Gembrook Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

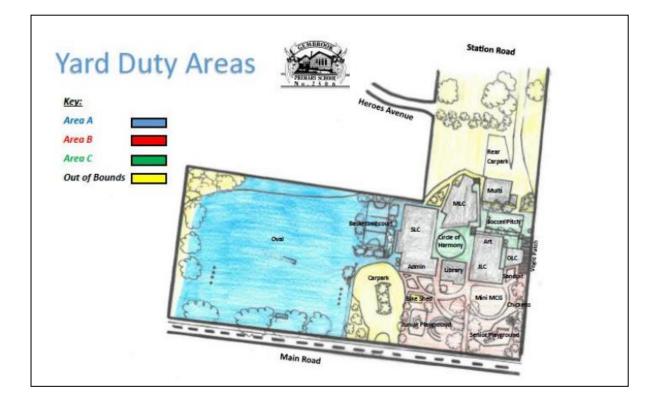

The Principal or Assistant Principal is responsible for preparing and communicating the yard duty roster on a regular basis. At Gembrook Primary School, school staff will be designated a specific yard duty area to supervise.

#### Yard duty zones

The designated yard duty areas for our school as of Term 2, 2023 are as follows:

Zone	Area
Zone A	Oval and basketball court
Zone B	Front playgrounds including the sandpit
Zone C	Circle of Harmony & Soccer Pitch
First Aid	First Aid

#### Yard duty equipment

School staff must:

- Wear a provided safety/hi-visibility vest whilst on yard duty. Safety/hi-visibility vests will be stored in the staffroom .
- Carry a yard duty first aid bag at all times during supervision. The yard duty first aid bags will be stored in staffroom.
- Remain in their designated area and if additional support is required contact the office.
- Ensure that they have their mobile phone in case of emergencies.
- Be familiar with the yard duty information pack containing student health and safety information stored in the yard duty first aid bag.

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

## Yard duty responsibilities

Staff who are rostered for yard duty must arrive on time for their yard duty and remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- Methodically <u>move</u> around the designated zone ensuring active supervision of all students.
- Ensure students are playing in the appropriate playground for their year level.
- Be alert and vigilant to inappropriate behaviour, safety concerns and strangers.

- Intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard by using Positive Behaviours for Learning language i.e. "Are you keeping your hands and feet to yourself?"
- Enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Wellbeing and Engagement policy.
- Ensure that students who require first aid assistance receive it as soon as practicable.
- Log any incidents or near misses as appropriate, on Compass, and ensure that adequate follow up with classroom teachers occurs in a timely manner.
- Where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in (excluding drop off and collection periods).
- Ensure that an adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should organise a swap or alternative arrangements with a fellow staff member and communicate the change with the Assistant Principal with as much notice as possible prior to the relevant yard duty shift.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the school office but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should contact the school office and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

## <u>Classroom</u>

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the school office for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

## School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education Excursions Policy.

## Digital devices and virtual classroom

Gembrook Primary School follows the Department's <u>Cybersafety and Responsible Use of Technologies</u> <u>Policy</u> with respect to supervision of students using digital devices.

Gembrook Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site, eg DET Student Excellence program

- Student attendance will be monitored.
- Any wellbeing or safety concerns for the student will be managed in accordance with our usual processes refer to our Student Wellbeing and Engagement Policy and our Child Safety Responding and Reporting Policy and Procedures for further information.

## Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or Assistant Principal will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

## Supervision of student in emergency operating environments

In emergency circumstances, our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department of Education.

## Other areas requiring supervision

Any students moving around the school during class time to attend the office area, toilets or library space must go in pairs and use the classroom student tracker to sign out and back into the learning space.
