### **When I use Digital Technology, I have responsibilities and rules to follow.**

Using the computer and iPad is a big responsibility and I agree to be a good technology user.

I will be a good technology user by:

- having clean hands when I use a laptop or iPad.
- using gentle hands when I use a laptop or iPad.
- asking for help when I don't know what to do.
- sharing the laptops and iPads with my classmates.
- not telling anyone my passwords.
- telling the teacher about anything wrong or damaged.

When I use the internet:

- I will tell my parents about the things I do on the internet.
- I will only use and stay on the web pages my teacher shows me.
- I won't tell people on the internet who I am or where I live.
- I will tell my teacher and parents if I see something on the internet that makes me feel uncomfortable.
- I will only bring my own digital technology equipment to school when directed by my principal or teacher.
- I understand I cannot bring any digital technology on school camps or activities without permission from the principal.
